## Giving Opportunity | Spring 2023

Your generous gifts help support our FOCUS Project, the annual SWEET Retreat (for Seminary women), missionary gifts, and other projects and ministry needs.

### FOCUS Project

#### SUPPORTING OUR MISSIONARIES | JOSEPH PROJECT

This project is focused on the community of Hille-Allah, a Bilala village. A Chadian missionary partner has been working with a women's agricultural cooperative in the community. This relationship is not only benefiting the community as a whole but is serving as a powerful platform by which the gospel is being heard. The agricultural cooperative needed a new storage facility to continue their work of gathering and storing grain for their community. Plans were made to build a new grain storage facility, measuring 20 feet by 33 feet, with solid concrete floors and walls, iron trusses, tin roof, windows for ventilation and a solid door for security purposes. This building will protect the grain from weather, rodents, livestock, and theft. The cost for this structure is \$12,000.00 and work was begun as soon as WMCLB approved this gift. We believe that this ministry will not only bless the community in terms of food security, but will also serve to further the sharing of the gospel of our Lord Jesus Christ in this village. We are excited to be able to address this physical need and also to be praying that God will open their hearts and meet their spiritual need of a Savior!
